

[12 Photos That Show Cats Have Always Been Cats](#)

Here's a selection of photos from our archive to celebrate all things cats! (12 because we couldn't narrow it down further.) Leaving the rat race If I choose to tear them down, it's none of your business Someone give her a tablet It's lockdown and I haven't seen anyone in days I would've asked but there seemed plenty to go around High five! Mine's a nice slice of mice Working from home Too many dreamies The original Grumpy Cat [IRead more](#)
