

2019 Annual Survey of Companies in Hong Kong with Parent Companies Located outside Hong Kong

The Census and Statistics Department is conducting the 2019 Annual Survey of Companies in Hong Kong with Parent Companies Located outside Hong Kong, on behalf of Invest Hong Kong. The survey aims to collect information useful to the Government in formulating strategies for cultivating a favourable environment for conducting business in Hong Kong and further developing support services for existing and prospective investors from outside Hong Kong. Such information will help Invest Hong Kong better understand the needs of foreign companies in Hong Kong and tailor its promotions, both locally and overseas, of Hong Kong as a leading destination for foreign direct investment.

The survey covers companies in various economic sectors in Hong Kong with their parent companies located outside Hong Kong. A questionnaire has been sent earlier to each of the relevant companies together with the notification letter. To assist these companies in providing the information as required, an electronic template of the questionnaire is available upon request.

Information being sought in the survey includes general information relating to these companies and opinions of the management of these companies about conducting business in Hong Kong.

The survey is conducted under Part IIIA of the Census and Statistics Ordinance (Chapter 316) and was notified in Government Notice No. 2816 in the Government of the Hong Kong Special Administrative Region Gazette of April 27, 2018, as a voluntary statistical survey. The said Ordinance stipulates that all collected information which may enable identification of individual companies should be kept in strict confidence and not be released to any unauthorised parties. Such data will solely be used for compiling statistics which will not enable information relating to individual companies to be revealed.

The department would like to thank those companies which had participated in previous rounds of the survey, and appeals for the support of the management of all companies which have been selected in the current survey round for their co-operation by returning the completed questionnaires to the department on or before June 28, 2019.

Where applicable, staff of the department may phone or visit individual companies to offer assistance in completing the questionnaire. Whilst on duty, they will each carry an Enumerator Identity Card and a certificate for conducting the survey, which will be available for inspection.

Enquiries regarding the survey can be directed to the Business
