

2023 edition of “Hong Kong as an Information Society” now available

The Census and Statistics Department (C&SD) published today (June 30) the 2023 edition of the "Hong Kong as an Information Society".

This publication presents statistics compiled from a variety of data sources relevant to the development of an information society in Hong Kong, including the recent developments in information and communication technology services, the external trade of information and communication technology goods and services, and the use and penetration of information technology in the business, household and government sectors. Analyses of the demand for manpower in the information technology field and development of relevant educational programmes are also provided.

Users can download this publication at the website of the C&SD (www.censtatd.gov.hk/en/EIndexbySubject.html?scode=590&pcode=B1110006). Enquiries about this publication can be directed to the Science and Technology Statistics Section of the C&SD (Tel: 3903 7291; email: itsurvey@censtatd.gov.hk).
