

# 50 Shades of Tay – A Flash Fiction Celebration

## **50 SHADES OF TAY**

Dundee Writing Group, the Nethergate Writers, has published a new volume of flash fiction.

**50 Shades of Tay** comprises fifty 50-word pieces of prose and poetry that celebrate people and places along the Tay.

There's something for everyone in this pocket-sized book. From memories of the Fifie, to sledging on the Law; reflections on the river to the wonders of karaoke at Dundee's Club Bar.

Nethergate Writers collaborated with local design studio, Pulse North, to create images to accompany some of the pieces and a striking cover design that takes its visual cues from the river.

The book will be launched at Waterstones Dundee at 6pm this Thursday – 23rd August – and the Nethergate Writers invite readers old and new to join them in celebrating their favourite Shades of Tay.
