

A spotter's guide to Post-Modern architecture

Post-Modernism in architecture was an international phenomenon, which can be defined by its relationship to the Modern Movement. While embracing the technology of industrialised society, Post-Modern architects looked to previous traditions for style and embraced metaphor and symbolism. Emerging in the 1970s, Post-Modernism was short lived and, as a result, surviving examples of significance in Britain are rare and predominantly found in London or the South East. In Europe, Post-Modernism focused on urban context with abstracted references to classicism and the regional vernacular, [Read more](#)
