

Additional performance of Spanish acrobatic show “Esencial” to address overwhelming response (with photos)

In view of the overwhelming response to the Spanish circus company Vaivén Circo's acrobatic show "Esencial", which is part of the summer festival International Arts Carnival (IAC), an additional performance will be arranged and details are as follows:

Date and time: July 30 (Sunday), 7.30pm
Venue: Hong Kong Cultural Centre Studio Theatre
Prices: \$180, \$260 and \$300

Vaivén Circo will offer an amazing acrobatic performance for audiences of all ages. Five agile members of the team will turn life-sized building blocks upside down and form different building structures instantly by different combinations of pillars and arches before the eyes of the audiences. The team will also perform complicated hand stands and splits on seesaws and ropes, providing a feast for the eyes.

Tickets for the additional performance will be available at URBTIX (www.urbtix.hk) from tomorrow (May 25). For telephone bookings, please call 3166 1288, or use the mobile ticketing app "URBTIX".

The IAC, organised by the Leisure and Cultural Services Department, will run from July 14 to August 13. Overseas and local art groups will present a splendid array of interesting and creative programmes, offering families and children a fun-filled summer party.
