

Adjustment of parking fees of government public car parks managed by TD

The Transport Department (TD) today (July 6) announced that the parking fees of 10 government multi-storey public car parks under its management will be increased with effect from August 1.

"In considering the adjustment of parking fees of the 10 government multi-storey public car parks, the TD has taken into account several factors, including the charges of nearby public car parks operated by private sector, public acceptability and the utilisation of the government car parks," a spokesman for the TD said.

The 10 car parks are Kennedy Town Car Park, Rumsey Street Car Park, Star Ferry Car Park, City Hall Car Park, Tin Hau Car Park, Shau Kei Wan Car Park, Aberdeen Car Park, Sheung Fung Street Car Park, Kwai Fong Car Park and Tsuen Wan Car Park.

Unless otherwise indicated, the adjustment of parking fees of the 10 car parks is summarised as follows:

Vehicle Type	Hourly Rate	Day Park	Night Park	Monthly Parking	Quarterly Parking
Private Car / Van	+\$1	+\$10	+\$5	+\$150 (Note 1)	+\$450
Motorcycle	–	+\$2	+\$1	+\$20	+\$60
Taxi	–	–	–	+\$50	+\$150

Note 1: The monthly parking fee of a reserved parking space in Star Ferry Car Park remains unchanged.

For details of the new parking fees, please refer to the Annex or visit the TD's website (www.td.gov.hk/en/transport_in_hong_kong/parking/carparks) .

The car park operators will put up notices inside the car parks in advance to inform motorists of the fee changes.

The last increase of parking fees of TD car parks was implemented on June 1, 2019.
