

# Aides d'État: la Commission donne son feu vert à un soutien public de 600 millions d'euros en faveur d'installations solaires innovantes en France

27/11/2018 – Business, taxation and competition / Employment and social rights / Enlargement, external relations and trade

EU exports to the world are more important than ever, supporting 36 million jobs across Europe, two thirds more than in 2000. 14 million of these jobs are held by women. In addition, EU exports to the world generate €2.3 trillion of value added in the EU.
