

AIDS hotline service to be suspended

The Acquired Immune Deficiency Syndrome (AIDS) hotline service under the Special Preventive Programme of the Centre for Health Protection of the Department of Health will be suspended from 6pm to 11pm tomorrow (November 20) for a maintenance check.

The service will resume after maintenance.

The free and anonymous AIDS hotline (2780 2211) provides information on AIDS and sexually transmitted infections, and a Human Immunodeficiency Virus antibody testing booking service to the public.
