

All airmail postal services to Thailand suspended

Hongkong Post today (April 28) announced that the postal administration of Thailand has advised that its mail processing centre will be temporarily closed until May 4 due to the epidemic. All airmail postal services (including Speedpost) to Thailand are suspended with immediate effect and will resume from May 5.

Members of the public may visit the Hongkong Post website at www.hongkongpost.hk/en/about_us/whats_new/notices/index_id_1052.html and refer to the types of services currently available to overseas destinations.
