

## All lanes of Tolo Highway re-open gradually

Last night (November 15), Tolo Highway was again maliciously blocked by rioters. For the safety of citizens and road users, Police have collaborated with other government departments to clear the debris on Tolo Highway this morning (November 16). All lanes of northbound Tolo Highway are now re-opened and lanes of southbound will also be re-opened soon.

Police appeal to all members of the public not to throw any object off the bridge or conduct any illegal acts posing threat to road users. Drivers are advised to pay attention when they pass by the location concerned.
