

“Anti-epidemic Support Scheme for Property Management Sector” under “Anti-epidemic Fund” continues to disburse subsidies

The "Anti-epidemic Support Scheme for Property Management Sector" (ASPM) under the "Anti-epidemic Fund" is open for applications and continues to disburse subsidies.

As of today (June 20), about 11 400 applications have been received for the ASPM, of which around 9 900 applications have been approved. The approved applications involve subsidies of around \$330 million and benefit around 37 000 building blocks and around 83 500 front-line property management (PM) workers.

The Government has launched the ASPM under the "Anti-epidemic Fund" to subsidise owners' organisations or PM companies of eligible residential, composite (i.e. commercial cum residential), industrial and commercial buildings (including shopping malls) to provide the "Anti-epidemic Hardship Allowance" to the front-line PM workers. The ASPM will also provide the "Anti-epidemic Cleansing Subsidy" to owners' organisations or PM companies.

The application deadline for the ASPM is July 15. For details on the ASPM, please contact the Property Management Services Authority (PMSA) at 3696 1156 or 3696 1166, or visit the website of the PMSA (aspm.pmsahk.org.hk/?lang=en).
