

Application for list of establishments from Central Register of Establishments

The Census and Statistics Department maintains a computerised Central Register of Establishments which contains information relating to some 410 000 active establishments in Hong Kong. Information kept in the Register is updated on a quarterly basis through feedback from various surveys of the department and administrative returns from relevant government departments. Information in respect of the second quarter of 2018 is now updated in the Register.

The Register serves mainly as the sampling frame for various economic surveys conducted by the department. In addition, many other government departments and private organisations also make use of the disclosable particulars kept in the Register for their surveys, publicity, business promotion, customer classification and research work. These disclosable particulars cover the name, address, type of business and employment size class of the establishments. They are available to the public in the following two forms.

20% sample listing

A sample listing containing 20% of the records randomly selected from the Register, together with disclosable particulars of the establishments, is available to users. Users may apply for all or part of the records in the 20% sample listing in writing by providing the following information:

The information can be supplied in the form of CD-R or photocopies at the following rates:

Users may apply to conduct matching operations for a list of establishments in their databases and then extract disclosable particulars for the matched establishments from the Register. The matching operation will be done using the application program supplied by the user and conducted on the computing facilities in the Department.
