Notes to editors

Chevening Scholarships are the UK Government's global scholarship programme, funded by the Foreign and Commonwealth Office (FCO) and partner organisations. The scholarships support study at UK universities – mostly one year taught master's degrees – for individuals with demonstrable potential to become future leaders, decision-makers, and opinion formers.

Chevening began in 1983 and has developed into a prestigious international awards scheme. Chevening Scholars come from over 160 countries and territories worldwide, and over the past five years we have awarded almost 9,000 scholarships. There are over 50,000 Chevening Alumni around the world who comprise an influential and highly regarded global network.

The name 'Chevening' comes from Chevening House in Sevenoaks, Kent – currently the joint official residence of the UK's Foreign Secretary.
