

Applications for the UK Government's Chevening Scholarships open for Argentine students

Applications for Chevening Scholarships to study in the UK are open between 3 September and 3 November 2020, with applications to be submitted via www.chevening.org/apply.

Chevening Scholarships are awarded to individuals who can demonstrate that they have the commitment and skills required to create positive change, and can show how a UK master's degree will help them do that. The scholarship offers full financial support for future leaders to study for any eligible master's degree at any UK university whilst also gaining access to a wide range of exclusive academic, professional, and cultural experiences.

Since the programme was created in 1983, over 50,000 professionals have had the opportunity to develop in the UK through Chevening. There are more than 1,500 scholarships on offer globally for the 2021/2022 academic year, demonstrating the UK's ongoing commitment towards developing the leaders of tomorrow.

Head of Scholarships at the Foreign, Commonwealth & Development Office, Naomi Rayner, said:

This year more than ever, we have seen how global challenges demand innovation, strong leadership and international collaboration. Chevening seeks to build an international community of people who are committed to those values, and to driving positive change. We do this by bringing together incredible people from around the world and supporting them, through education, to achieve their goals.

In the UK we are proud of our world class universities and we know that our learning environments are enriched by the wide diversity of cultures, experiences and viewpoints represented on our campuses. Chevening scholars make a significant contribution to these communities, as well as becoming an important part of our network of over 50,000 alumni.

Chevening represents the very best of the UK, welcoming people from across the world to study, grow, and thrive. Being a part of the Chevening network instils a strong sense of pride and responsibility. I am consistently inspired by the passion and commitment of those in the Chevening community and I look forward to hearing from this year's applicants.

Chevening's Director, Miranda Thomas, said:

The Chevening experience is so much more than a master's degree. As well as an academically challenging and fulfilling university experience, we'll immerse you in UK culture along with your fellow Chevening Scholars. 'We organise an exclusive programme of events and activities, so you can experience Britain's heritage and history, discuss international policy, and interact with thought leaders at a range of academic, cultural, and social events. Previously, scholars have visited the UK prime minister's residence at 10 Downing Street, hiked up Mount Snowdon in Wales, exhibited art in London galleries, interned at the BBC and sat in the home dressing room at Anfield.

You will learn by interacting with people from all over the world, travelling around the UK and getting involved in the communities you live in. You will be expected to take control of your own learning, show independent thinking and chase new experiences. Those who get the most out of Chevening are the ones who put the most into it. 'Your scholarship will last a year, but you will be a part of the Chevening community for life. Our hope is that you will leave the UK inspired, motivated, and better equipped to bring your own ideas to life.

British Ambassador to Argentina, [Mark Kent](#), said:

There is no such thing as a 'typical' scholar. There are people of different ages, social backgrounds, interests, genders. There are scholars from Buenos Aires and the interior. What we are looking for is that energy and curiosity that leaders of tomorrow carry.

Every year we interview candidates from a variety of academic backgrounds. This year climate change is a priority for the UK, as we will host the next United Nations Climate Change Conference, COP26. If you want to study in the UK about climate change, we are particularly interested in your being able to apply for the Chevening scholarships this year.

The call for new applicants follows the selection of 19 scholars from Argentina, who won an award to study at a UK university this year. Successful applicants have been sharing their stories through the #ChosenForChevening hashtag on Twitter and Instagram.

Chevening Scholarships are the UK Government's global scholarship programme, funded by the Foreign, Commonwealth & Development Office (FCDO) and partner organisations. The scholarships support study at UK universities – mostly one year taught master's degrees – for individuals with demonstrable potential to

become future leaders, decision-makers, and opinion formers.

Chevening began in 1983 and has developed into a prestigious international awards scheme. Chevening Scholars come from over 160 countries and territories worldwide, and over the past five years we have awarded almost 9,000 scholarships. There are over 50,000 Chevening Alumni around the world who comprise an influential and highly regarded global network.

The name 'Chevening' comes from Chevening House in Sevenoaks, Kent – currently the joint official residence of the UK's Foreign Secretary.
