The following is issued on behalf of the Standing Committee on Language Education and Research:

With a view to creating and nurturing a conducive language learning environment for the people of Hong Kong, the Standing Committee on Language Education and Research (SCOLAR) is inviting eligible local organisations to submit applications for Sponsorship Projects 2022/23.

With funding support from the Language Fund, the Sponsorship Projects aim at engaging community partners in organising language-related event- or competition-based projects in the community for promoting biliteracy (Chinese and English languages) and trilingualism (Cantonese, Putonghua and spoken English).

Registered organisations that wish to apply are required to submit applications to SCOLAR by noon on February 28. For more application details (including the application guidelines and information on the online briefing session), please visit the SCOLAR webpage: www.scolar.gov.hk.
