

# ARLEM Award 2022

□

“Yesterday (15/6/2021), the Euro-Mediterranean Assembly (ARLEM) launched the ARLEM Award 2022. In its fourth edition already, this competition aims to support young, dynamic entrepreneurs from the Mediterranean region who, in collaboration with their local or regional authority, positively impact their community and foster social progress and development.

While the impact of the COVID-19 pandemic was already felt during the launch of last year’s edition, it is the fact that the pandemic has persisted for so long that has exacerbated the economic and societal situation worldwide, and in particular in the Mediterranean countries in focus (see map below).□
