

# Arrangement for General, Specialist Out-patient Clinics

â€‹The Hospital Authority announces that as the Tropical Cyclone Warning Signal No. 8 is issued, its general out-patient clinics, specialist clinics including physiotherapy and occupational therapy will be closed while the Accident & Emergency services at public hospitals will remain normal. Outpatients are advised to make a new appointment after the cancellation of the Warning Signal No. 8. If the signal is cancelled before noon, all clinics and day hospitals will resume service in the afternoon.

Besides, specimen bottle distribution and specimen collection service at the 46 GOPCs will be suspended.
