

Arrangements for DH clinics

Attention duty announcers of radio and television stations:

Please broadcast the following message as soon as possible and repeat it at suitable intervals:

The Department of Health (DH) today (October 12) announced that, because of the issuing of the Pre-No. 8 Special Announcement indicating that the Tropical Cyclone Warning Signal No. 8 will be issued at or before 5.20pm today, all DH clinics will be closed after Tropical Cyclone Warning Signal No. 8 is issued, except for Methadone Clinics which will be open for the normal operating hours. Those receiving methadone treatment can still attend Methadone Clinics for their daily dose.

The public is advised to pay attention to radio and television announcements.
