

Auction of traditional vehicle registration marks to be held on October 17

The Transport Department (TD) today (October 6) announced that the auction of traditional vehicle registration marks will be held on October 17 (Sunday) in Meeting Room N101, L1, New Wing, Hong Kong Convention and Exhibition Centre, Wan Chai.

"A total of 220 vehicle registration marks will be put up for public auction. The list of marks has been uploaded to the department's website, www.td.gov.hk," a department spokesman said.

Applicants who have paid a deposit of \$1,000 to reserve a mark for auction should also participate in the bidding (including the first bid at the reserve price of \$1,000). Otherwise, the mark concerned may be sold to another bidder at the reserve price.

People who wish to participate in the bidding at the auction should take note of the following important points:

(1) Successful bidders are required to produce the following documents for completion of registration and payment procedures immediately after the successful bidding:

(i) the identity document of the successful bidder;

(ii) the identity document of the purchaser if it is different from the successful bidder;

(iii) a copy of the Certificate of Incorporation if the purchaser is a body corporate; and

(iv) a crossed cheque made payable to "The Government of the Hong Kong Special Administrative Region" or "The Government of the HKSAR". (For an auctioned mark paid for by cheque, the first three working days after the date of auction will be required for cheque clearance confirmation before processing of the application for mark assignment can be completed.)

Successful bidders can also pay through the Easy Pay System (EPS). Payment by post-dated cheques, cash or other methods will not be accepted.

(2) Purchasers must make payment of the purchase price through EPS or by crossed cheque and complete the Memorandum of Sale of Registration Mark immediately after the bidding. Subsequent alteration of the particulars in the memorandum will not be permitted.

(3) A vehicle registration mark can only be assigned to a motor vehicle which is registered in the name of the purchaser. The Certificate of Incorporation must be produced immediately by the purchaser if a vehicle registration mark purchased is to be registered under the name of a body corporate.

(4) Special registration marks are non-transferable. Where the ownership of a

motor vehicle with a special registration mark is transferred, the allocation of the special registration mark shall be cancelled.

(5) The purchaser shall, within 12 months after the date of auction, apply to the Commissioner for Transport for the registration mark to be assigned to a motor vehicle registered in the name of the purchaser. If the purchaser fails to assign the registration mark within 12 months, allocation of the mark will be cancelled and arranged for re-allocation in accordance with the statutory provision without prior notice to the purchaser.

(6) In view of public health concerns, all persons entering the auction venue will have to undergo on-the-spot body temperature checks arranged by the TD. Any member of the public whose body temperature is higher than 37.5 degrees Celsius or who refuses to undergo a body temperature check will be denied entry to the auction hall and the payment office. The TD also requests all persons entering the auction hall and the payment office to wear masks and clean their hands with alcohol-based sanitiser, and to wear masks throughout the duration of the auction and payment process.

(7) In order to reduce the risk of the virus spreading, the TD will adjust the distance between seats and the number of seats in the auction hall and the payment office, and implement crowd-control measures. The TD also appeals to the bidders to reduce the number of accompanying persons as far as possible. Furthermore, the auctions in the morning and afternoon will each be divided into two sessions so as to shorten the duration of crowd congregation. The first session of the morning auction will commence at 9.25am while the second session will begin no earlier than 10.35am. The first session of the afternoon auction will commence at 2.25pm while the second session will begin no earlier than 3.40pm. The auction venue will be disinfected before the commencement of the second sessions. Interested bidders may arrive at the auction venue in accordance with the time schedule for the auction of vehicle registration marks.

(8) In order to more effectively assist the Department of Health in epidemiological investigations and to protect the safety of members of the public and employees, members of the public will be required to scan the "LeaveHomeSafe" QR code or register their names, contact numbers and date and times of their visits before entering the auction venue (the auction hall and the payment office). As a result of the arrangement, members of the public are advised to remain patient as the waiting time for entering the auction venue may be longer.
