

Auctions of vehicle registration marks postponed

To reduce the risk of the spread of COVID-19 in the community, the Transport Department (TD) today (January 6) announced that the auctions of traditional vehicle registration marks scheduled for January 8 and 15, and the auction of personalised vehicle registration marks scheduled for January 9, at the Hong Kong Convention and Exhibition Centre will be postponed. Applicants will be notified by the TD of the details of the rescheduled auctions later.

For enquiries, please call 2804 2600.
