

Getting things done – Seymour Street #dundeewestend

Residents recently complained to me about potholes on the road surface of Seymour Street towards its north end.

I raised this with the council's Roads Maintenance Partnership and have been advised as follows :

"A pothole repair order was raised ... with a timescale for repair of approximately thirty days."

Lunchtime Recital with Dolly O'Rourke and Friends today – Wednesday 7th
November**

Dolly is a fine singer, well known in Dundee as she was head teacher at Ancrum Road Primary School until her retirement.

She and her friends are stalwarts of several musical sessions across the area so with Dolly and Mike on vocals and guitar, Lorna and (the other Mike) on accordion, fiddle and Lesley's unaccompanied singing we are promised a lively and friendly mixture of melody and song.

The Lunchtime Recital runs from 1.15pm -1.45pm and admission is free though our shiny pink piggy-bank will be happy to receive donations!

[Event at the Botanic Garden](#)
[#dundeewestend](#)

This Sunday – 4th November – the Friends of the University of Dundee Botanic Garden have an event at the garden.

Christopher Dingwall, Landscape Historian and Heritage Consultant will talk about “James Thomson and the Garden City Movement in Dundee”.

Thomson was a visionary City Architect around the turn of the 20th century, whose legacy is still evident today, though many of his ideas were halted by the First World War.

All welcome – the event takes place at the garden’s Education Centre at 2pm.
