matter to you in your community  
with your local police officers.**

**Have a chat with local Officers**

Advice, information, provide an opportunity for members of the public to come along and speak to police officers in relation to issues that affect them in their community

# September at the Wighton

From Sheena Wellington :

One of the Friends of Wighton's most important relationships is with [Live Music Now](#) and we are delighted to be welcoming two of their fine young musicians for the Lunchtime Recital on Wednesday 5th September.

Graham Rorie, fiddle & mandolin, and Aidan Moodie, vocal and guitar, are two of the most promising young musicians to recently emerge from Orkney's rich heritage of traditional music.

With a presence that's both familiar and forward-thinking, Graham and Aidan's playful arrangements are brought to life by a musical relationship almost a decade in the making. The pair perform traditional tunes (both from "up home" in Orkney and further afield), self-penned numbers, and contemporary folk songs through an intimate combination of fiddle, guitar, mandolin, and voice.

In 2015, the boys won a coveted Danny Kyle Award at Celtic Connections, also reaching the semi-finals of the BBC Radio 2 Young Folk Award the following year. Following this, they went on to form the four-piece folk band Gness – recently nominated for an MG Alba "Up And Coming" award at the 2017 Trad Awards.

"Aidan and Graham are superb musicians, not only that, they combine as a superb duo." Folk Radio UK

The recital starts at 1.15pm – admission is free. Donations for the excellent work of Live Music Now welcome.

---

**[Friends of Balgay AGM and autumn meeting #dundeewestend](#)**

The Friends of Balgay AGM and autumn meeting will take place on Saturday 8th September at 2pm at the Mills Observatory.

In addition to the AGM, there will be an illustrated talk by staff from the Montrose Basin Wildlife Centre – all welcome!

---

**[Replacement steps at Pentland #dundeewestend](#)**

I recently sought an update on behalf of Pentland residents about when the second set of new steps would be completed as was advised last week as follows :

**“Our contractor on this project, Tayside Contracts, are advising that are awaiting on delivery of the anti slip material they need to finish off the steps. Without this, the steps could cause a slip hazard to members of the public. We would also not be prepared to open the steps for use until they are fully completed according to the design specification.**

**The material should be delivered next week and as soon as they receive it, they will assign a member of staff to finish the job. Once completed, an inspection will be carried out and assuming everything is satisfactory, the fencing will be removed.**

**You may be interested to know that we are currently working on trying to start the next phase of the steps this financial year. This phase will concentrate on replacing the steps between Pentland Avenue and Pentland Crescent. The same standard of specification will be applied to this phase as was used on the steps between Pentland Crescent and Colinton Place.”**

I am pleased to say the steps were completed and opened last Friday.
