[Getting things done – Fyffe Street](#)
[#dundeewestend](#)

Residents have drawn to my attention the poor condition of part of the pavement on the north side of Fyffe Street.

I highlighted this with the council's Roads Maintenance Partnership and have received the following response :

"An order has been raised for a thermal patching repair to be carried out at this location. There is no specific timescale for completion but it will be done when resources are available."
