

## Weekly Road Report – West End Ward #dundeewestend

DUNDEE CITY COUNCIL – WEEKLY ROAD REPORT

REPORT FOR WEST END WARD – WEEK COMMENCING MONDAY 28 MAY 2018

South Union Street/South Marketgait at Dundee Railway Station – northbound nearside lane closure from 9.30am for 5 weeks for footway works.

Please also note that, in addition to the scheduled road report, Guthrie Street has been closed at its most westerly section, in recent days. The council has advised me :

“The works and road closure are due to a SSE cable fault. They contacted me last Tuesday to advise me of the problem. I would hope the work to be completed in the next few days.”

## Bash Street's back at The McMenance!

From 2nd June until 21st October :

This summer, join some of the city's funniest and most loved characters as The Bash Street Kids take over the museum as part of a brilliant new exhibition!

First published in 1938, Beano has continued to entertain children and adults alike for 80 years. From Lord Snooty, Dennis the Menace, Minnie the Minx and of course The Bash Street Kids, DC Thomson have created some of the most iconic characters in comic history. This exhibition will look at DC Thomson's early beginnings in the 19th century to their domination of the printing presses by the early 20th century.

But just how was a comic put together? We will look at the development of the machines that produced the publications and the people of the kids of the High School of Dundee, to the artists such as Dave Sutherland, who has drawn the Bash Street Kids since 1962.

McManus Galleries opening times: Monday to Saturday, 10am – 5pm; Sunday, 12.30pm – 4.30pm.
