

HM The Queen

As a mark of respect, there will be no social media posts from us tomorrow, the day of the state funeral of Her Majesty The Queen.

A National Moment of Reflection for Her Majesty will take place at 8pm this evening, which will be marked by a one-minute silence.

Weekly Road Report – West End Ward #dundeewestend

REPORT FOR THE WEST END WARD – WEEK COMMENCING MONDAY 19 SEPTEMBER 2022

Nethergate (West Marketgait to Union Street) – closed from Monday 10 October for 9 days for carriageway resurfacing works.

Blackness Road (at junction with Balgay Road) – closed from Wednesday 19 October for 3 days to facilitate carriageway resurfacing works.

[Update on the path from Tait's Lane to Peddie Street #dundeewestend](#)

Residents will recall that we have raised the poor condition of the pathway from Tait's Lane to Peddie Street and yesterday we had a very positive site visit with officers from the council's environment management and a Tait's Lane resident about improving the lane.

It was agreed that the dumped items in the lane will be removed, graffiti tackled and over the winter months the weeds and overgrowth will be removed.

The resident who met us yesterday had the very positive suggestion of community use of the beds to allow local residents in Peddie Street and Tait's Lane who are interested to tend a bed each in the lane.

There will be engagement with nearby residents about this over the winter months too. Meantime, if any resident has feedback on this proposal, please get in touch – many thanks.

[Elliot Road tennis courts – your views appreciated! #dundeewestend](#)

For some time, residents have raised concerns about the deteriorated state of the Elliot Road playing field's tennis courts.

We had raised this with the City Council and, yesterday, Fraser took part in a very useful meeting including representatives from Dundee City Council, Harris Academy, sports clubs representatives and WECSH, the West End Community Sports Hub.

As an immediate step, Neighbourhood Services at the City Council will undertake some work to get rid of the weeds and roll the surface.

However, the main purpose of the meeting was to have some initial discussions about possible long-term improvements to hopefully create a multi-use games area to provide a multi-sport all weather facility. This would, should it prove possible, benefit Harris Academy and its curriculum delivery but also have very positive West End community benefit.

We have agreed to take initial steps to look at possible partnership funding and delivery models but meantime Fraser would welcome feedback from residents on this by either Facebook message or by e-mailing him at fraser.macpherson@dundeecity.gov.uk – many thanks!

[Getting things done – Riverside Drive](#)

[#dundeewestend](#)

Back in October 2021, Fraser had a site visit with a member of West End Community Council and a City Council officer about several issues on Riverside Drive.

We agreed that some cycle parking provision just east of the car park at the Bridgeview Station Restaurant would be a good idea, particularly as there was plenty space for this.

Fraser raised this with the City Development Department at the council and received a positive response.

It has taken a little time to deliver as it was tied into another project delivery schedule but we are pleased to say it has now been installed.
