

Litter picking hubs – a great idea!

Sixty two community litter picking hubs are now available across Glasgow – in parks, schools and at some coffee shops.

Equipment, including bin bags and litter pickers, can be used by anyone keen to do a litter pick in their area.

This is a great initiative by Glasgow City Council and we asked Dundee City Council's Head of Environment if this could be replicated in Dundee.

He has responded positively as follows :

"Yes, I agree that this is a very positive initiative and it would be good to emulate with a similar scheme within Dundee.

Grateful if you could please leave this with me to take forward with officers at the next Take Pride officers' meeting."

Council house rents consultation 2022

From the City Council :

As part of our preparations for setting rents for council housing in the coming year, we are asking our tenants' views on their priorities for how we spend your rent.

We would like to invite you to participate in an online survey. Having your say in influencing spending priorities will provide valuable information in discussions with councillors on the coming year's rent level. We would greatly appreciate a few moments of your time to complete this short survey on investment priorities by visiting <https://www.surveymonkey.co.uk/r/HYRiS-2022>

If you have any questions regarding the survey, please contact Mark Cooper by email – mark.cooper@dundeecity.gov.uk.

You can also visit Dundee City Council's website at <https://bit.ly/30evmk8> for more information on how your rent is spent.

Three of Dundee's green spaces – Dundee Law, Victoria Park and Camperdown Park – have been nominated for the 2022 UK's favourite parks award.

We are delighted that Victoria Park in our own local area has been nominated.

We would encourage residents to take part in the vote! You can vote at www.fieldsintrust.org/favourite-parks/nominations – voting closes on Thursday 18th August.
