

# Blether Tay-Gither – Storytelling in Dundee – tonight!

Blether Tay-Gither is the Dundee Storytelling Group.

From Sheila Kinninmonth, Blether Tay-Gither's secretary :

We attempted to meet in-person in May but were thwarted at the last minute.

So we are going to try again tonight, this time in the historic Dudhope Castle where we have been offered the use of a lovely space.

It's a little out of the town centre but there is plenty parking and the 28 bus goes in that direction and there is a bus stop just a couple of minutes walk from the castle.

**Date: Tuesday 28th June**  
**Time : 7pm to 9pm**  
**Venue: Dudhope Castle**  
**Dudhope Park**  
**Dundee**  
**DD3 6HF**

Our Theme this month if you need one is "Celebrations." Join us with a story or just come to listen.

It is not a cafe but we do have access to a kettle and we'll bring some tea and coffee but if you'd prefer, your welcome to bring your own.

Hope to see you there!

---

## [Weekly Road Report – West End Ward](#) [#dundeewestend](#)

## **Getting things done – Tullideph Road** **#dundeewestend**

The paths to the rear of the Tullideph Road flats near to the north end of Loganlee Terrace are in a poor state of repair and unfortunately there have been falls there. See photo below.

We raised this with the tenancy officer for the area who has since updated us as follows :

**“I was out at the property and had a look at the paths.**

**From looking at the condition of the paths I have requested a site meeting with the repairs team to see what can be done to repair the paths.**

**As soon as the site visit has taken place I will update you with the agreed course of action.”**

---

## **Minister praises work of Special Olympics as athletes go for gold**

The first Special Olympics Ulster event in three years has taken place and Communities Minister Deirdre Hargey was at Antrim Forum today to see the athletes going for gold.

---

## **Getting things done – Roseangle playpark – an update #dundeewestend**

Residents will recall that we recently highlighted to us repairs and upgrades required at the Roseangle playpark – examples below.

We reported this to the City Council and have now received the following update from environment management :

**“We are struggling to get contractors in just now and most local authorities are requesting similar issues with play installers.**

**This has had a knock on effect internally too as we have had a few retirements and we are currently recruiting.**

**We are working through various works in parks and it is key that we have safe play areas and will get to repairs as soon as we can.**

**I can only apologise for the delay.”**

We will keep residents updated on this as we are anxious to see repairs take place as soon as possible.
