Temporary traffic order – Riverside Approach

From the City Council – but please note that I have further information from Scotland Gas Networks and should any resident have a query, please e-mail me at fraser.macpherson@dundeecity.gov.uk :

THE ROAD TRAFFIC REGULATION ACT 1984 – SECTION 14(1)

THE DUNDEE CITY COUNCIL AS TRAFFIC AUTHORITY being satisfied that traffic on the road should be prohibited by reason of SGN maintenance works being carried out HEREBY PROHIBIT the driving of any vehicle in Riverside Approach (between Riverside Drive and Magdalen Yard Road), Dundee.

This notice comes into effect on Saturday 29 January at 10pm until Sunday 30 January 2022 at 9am.

Pedestrian thoroughfare will be maintained.

Alternative routes for vehicles are available via Riverside Drive / South Union Street / South Marketgait / Nethergate / Perth Road / Roseangle.

For further information contact 433082.

01382
667178

**Fancy getting out of the house for a wee
while? Come and join us for a cup of tea
and a blether.**

Suggested donation £1

Update from Dundee Pensioners' Forum :

"The West End Blethers cafe has re-started for 2022 – and will continue every Thursday at The Friary, Tullideph Road, between 12 noon and 2pm.

This has been a very successful project – we have managed to secure funding to take us through until around September 2022 and will seek further funding this year to extend that even further.

The blethering levels are rising by the week ... and now that the pandemic

restrictions are lifting, we can resume singing all the old songs. It is amazing how well older people remember every word of every verse!

Everyone is welcome! There is free tea, coffee, cake, scones (heated with butter and jam) and delicious home cooked soup and rolls. The cafe also has a small food larder – 10 items for £2 – and free fruit and vegetables to take away.

We'd love to welcome you at the Friary, any Thursday between 12 noon and 2pm!"

Genomics Beyond Healthcare: future uses and considerations of genomic science

New report examining how the genome can provide insights into people's traits and behaviours beyond health, and how studying our DNA code presents both benefits and challenges to society.
