

Save the date! Valuing Nature Annual Conference 18 October 2016, Manchester

As part of the Valuing Nature Programme's aim to build interdisciplinary research capability with strong engagement of end users we are pleased to announce that the **Valuing Nature Annual Conference** will be held at the Town Hall in Manchester on Tuesday 18th October 2016.

A varied programme will bring together researchers, practitioners, business and policy makers in a forum of key note presentations, discussion and activity workshops.

Full details will be available soon from the [Valuing Nature Programme website](#) and a further notification will be sent to all members of the [Valuing Nature Network](#)

Please inform anyone you think may be interested in attending.

New Foresight project to explore lifelong learning

The project will investigate the future of skills and lifelong learning in a digital age.
