<u>Save the date! Valuing Nature Annual</u> <u>Conference 18 October 2016, Manchester</u>

As part of the Valuing Nature Programme's aim to build interdisciplinary research capability with strong engagement of end users we are pleased to announce that the **Valuing Nature Annual Conference** will be held at the Town Hall in Manchester on Tuesday 18th October 2016.

A varied programme will bring together researchers, practitioners, business and policy makers in a forum of key note presentations, discussion and activity workshops.

Full details will be available soon from the <u>Valuing Nature Programme website</u> and a further notification will be sent to all members of the <u>Valuing Nature</u> <u>Network</u>

Please inform anyone you think may be interested in attending.

<u>New Foresight project to explore</u> <u>lifelong learning</u>

The project will investigate the future of skills and lifelong learning in a digital age.
