Getting things done – Mid Wynd #dundeewestend

Residents have contacted me about the terrible mess of bird droppings on the pavement and handrail on the left side of Mid Wynd.

I asked the council to power wash this but also asked the landlord of the adjacent Ryehill flats to add measures to the building roof edge to stop pigeons perching at the roof edge.

[Getting things done – Riverside Drive](#)
[#dundeewestend](#)

Residents contacted me about the overgrown foliage on the west side of the part of Riverside Drive going northwards from the roundabout at the Riverside Inn towards the Botanic Garden.

I raised this with the City Council and am most grateful for the work that was subsequently carried out.
