[Getting things done – Park Place – an update #dundeewestend](#)

As residents will recall, over some months, I have raised numerous concerns from residents about the state of the bins in Park Place, near to the junction with the West Port.

These are not all council bins for residents' use but there are also commercial bins there for business use and the Enforcement Officer in the council's Community Safety and Protection team has been very helpful on the issue and liaising with business users.

She has now updated me as follows :

"I again visited Park Place and visited several of the businesses that store bins at Park Place.

As a result of these visits it was discovered that there was excess bins at Park Place due to a change in business ownership.

The excess bins, of which there were 5, have now been uplifted and I have asked a street cleaner to attend to remove any spillage/littering from the overflowing bins."

Temporary Traffic Order – Lochee Road and North Marketgait

From the City Council :

Dundee City Council proposes to make an Order under Section 14(1) of the Road Traffic Regulation Act 1984 for the purpose of facilitating retaining wall repair works. The Order is expected to be in force for 15 months from 11 October 2021. Its maximum duration in terms of the Act is eighteen months.

The effect of the Order is to prohibit temporarily all pedestrian traffic in North Marketgait and Lochee Road from Parker Street to a point 100 metres or thereby west of Dudhope Roundabout.

An alternative route for pedestrians will be available via Lochee Road, West Marketgait and North Marketgait.

If you have any queries, please contact the Network Management Team, City Development Department, Dundee House, 50 North Lindsay Street, Dundee, DD1 1LS – phone 433082.
