## Getting things done – Ryehill Lane – an update #dundeewestend

As residents will recall, I recently highlighted the poor state of the seating area at the corner of Ryehill Lane and Perth Road.

This is owned by JCDecaux the billboard advertising company and I contacted them about this and was promised a tidy up.

I am pleased to say this has now taken place and the area looks a lot tidier.

As I previously I will continue to pursue a permanent improvement to what could be a lovely seating area, but at least this is some progress.
