

## Getting things done – Ryehill Lane #dundeewestend

Numerous residents have highlighted the poor state of the seating area at the corner of Ryehill Lane and Perth Road.

This is owned by JCDecaux the billboard advertising company and I contacted them about this.

I have since received a positive response :

**'I have asked the regional team to get the land tidied and cleared of weeds and rubbish.'**

I had hoped that a substantive improvement could have been achieved here through the district shopping areas aspect of the 'Spaces for People' projects funding but this came to nought – a real disappointment.

I will continue to pursue a permanent improvement to what could be a lovely seating area but meantime am grateful to JCDecaux for giving a commitment to tidy it up.
