## Getting things done – Balgay Park #dundeewestend

Residents recently highlighted to me concerns about speeding motor bikes and scrambler bikes going through Balgay Park.

I raised this concern with both the City Council and Police Scotland and have received this helpful update from our local community police sergeant :

**“Thank you for bringing the below to our attention.**

**We will bear this in mind when out on foot patrol and deal with any issues we come across in an appropriate fashion.**

**I have also advised the Divisional Road Policing Unit Inspector so that traffic vehicles can bear this area in mind when out on patrol.”**
