**Getting things done – Riverside Drive**  
**#dundeewestend**

A resident recently contacted me about overgrown foliage on Riverside Drive near to the roundabout with Riverside Avenue, stating :

**“Branches are overhanging shared footpath/cycle path.**

**Because cyclists are higher above ground level when seated there’s a need to “duck” to avoid direct contact with the branches to face or head.”**

I raised this with the City Council and the foliage has now been cut back.
