Allocations Policy Review- Consultation

We would like to invite Dundee Council Tenants to take part in our virtual meeting about the Allocations Policy Review. Unfortunately, due to the pandemic, it has not been possible to hold our normal face to face meetings. Housing Management staff will outline the changes proposed for Dundee City Council's Allocations Policy. Some of these changes are in relation to proposed higher social needs points for harassment, domestic and racial abuse. There is also a '2 offer rule' proposed for housing list applicants. There will be a chance for discussion and questions about this. Please note that we are also planning to hold our AGM online on August 10th at 7pm, more details about this will follow.

We ask that you register in advance for this event by emailing dfta@number10.org -we will then email you the link in order to attend this meeting via video. You do not need to download any software for this, you can just click on the link. Please note that you are welcome to turn the video option off. You can also attend the meeting via audio- i.e. just on a phoneline, if you prefer. We can also send you more information about the proposed changes in advance of the meeting.

If you have any questions or issues you wish to raise that is not in relation to the Allocations Policy, please address these to Robert Law at the above email address.

You can also write to us at the freepost address below, but please note that our postal system is delayed due to the office being closed so please allow extra time for this.
