Dodds welcomes funding for skills and trade

Economy Minister Diane Dodds has welcomed confirmation of funding for skills and promoting Northern Ireland through the UK Government's 'New Deal for Northern Ireland'.

Improving skills must be at the heart of economic recovery, Dodds tells Assembly

Developing the skills of Northern Ireland's workforce is essential to both the short-term and longer-term future of our economy, Minister Diane Dodds said today.

Farmer convicted at Dungannon Court

An Aughnacloy farmer has been convicted of one charge, of doing an act or thing to affect the result of a Tuberculosis (TB) herd test and one charge of causing unnecessary suffering to a number of cattle.
