

Getting things done – Osborne Place and Magdalen Yard Road #dundeewestend

I have had numerous complaints about the extent of mushy, wet leaves around Magdalen Yard Road and Osborne Place and some blocked road drains.

I had reported this to both the environment team in relation to the leaves and the Roads Maintenance Partnership in relation to the drains – and have also raised similar issues at other locations :

Swann announces further change to blood donor deferral policy

Health Minister Robin Swann has announced further changes to blood donation deferral rules to allow more people to donate blood.
