## **Getting things done – Dunmore Drive and Dunmore Gardens – an update #dundeewestend**

Michael is pictured in Dunmore Gardens where the road surface is really poor and we had long requested resurfacing.

This was agreed but resurfacing work in both Dunmore Drive and Dunmore Gardens had to be postponed from late 2022 as another resurfacing project over-ran due to flooding issues – so we sought assurances from the City Council that the work will take place in early 2023.

We were initially advised as follows from the Senior Engineer – Roads Maintenance Partnership :

**“At present all being well, the works are currently programmed for the last week in February, first week in March.**

**The only sticking point is with the increases in the Bitumen prices there may be a possibility that the works may be postponed until after March. I am currently working out the likely outturns for the works on site now against the budget.”**

**Once this has been completed I will let you know.”**

We are pleased to now advise that we were recently further updated as follows :

**“Latest position is still the same, programmed for last week in February, first week in March. It looks like the budget will be there to complete the works.”**

## [Dundee Cancer Support Network](#)

The cancer support café and drop in is every Thursday from 10am to 2pm at the Wellgate Listening Post.

Everyone is welcome.

Read more about the Dundee Cancer Support Network at [www.cancerdundee.org](http://www.cancerdundee.org)

# Cancer Support Drop-In

Every Thursday 10am - 2pm @ The Listening Post  
Wellgate Shopping Centre  
(Steps Entrance)

Have you,  
or someone you know,  
been affected by cancer?

Maybe we can help ...

Pop in for a cuppa  
& some company

Share your story  
with others  
affected by cancer

We always have  
time to listen

Find out where  
you can get  
help & support

If you want to  
find out more  
about the work  
of CANDU  
please get in touch
