The Social Welfare Department (SWD) will invite employers of persons with disabilities to submit applications for the 23rd batch of the Support Programme for Employees with Disabilities (SPED) from tomorrow (December 17) until January 25, 2019.

To support the employment of persons with disabilities, the SWD launched SPED in June 2013 to provide employers of persons with disabilities with a one-off subsidy for each employee with disabilities for procurement of assistive devices and/or workplace modifications. The programme seeks to facilitate employees with disabilities in discharging their duties in the workplace and enhance their work efficiency.

The subsidy is capped at a maximum support level of \$20,000 for each employee with disabilities. Starting from 2014-15, a grant of up to \$40,000 may be considered for deserving cases for which the price of a single item of assistive device and its essential accessories exceeds \$20,000.

A wide range of assistive devices and workplace modifications which cater to the special needs of employees with disabilities at the workplace will be considered. Examples include computer accessories or adaptive equipment, optical magnifying devices, hearing and assistive devices, Braille products and handrails.

The Po Leung Kuk has been commissioned to serve as the SPED Administrator. It will assist in administering and promoting SPED, provide advisory services and follow up on the progress of the subsidised programmes, prepare assessments on the applications and make recommendations to the
