

## Specialty care for special kids

The new Hong Kong Children's Hospital (HKCH), located at the Kai Tak Development Area, is about to open in phases with the specialist outpatient clinic going into service first on December 18.

The city's first children's hospital is equipped with state-of-the-art facilities including a hydrotherapy pool and incorporates colourful, animal-themed designs on all floors and patient rooms.

News.gov.hk spoke to its healthcare professionals and Hospital Chief Executive to find out more about the facility's special features that reflect the concept of being a children-centred and family-friendly hospital.

The story appears on news.gov.hk today (December 9) in both text and video format.
