

Postal services to Macao return to normal

Hongkong Post announced today (September 19) that, as advised by the postal administration of Macao, mail delivery services that were previously affected by typhoon have returned to normal.

Updated traffic and public transport situation after Typhoon Mangkhut

The Transport Department (TD) today (September 19) said that the relevant departments including the Highways Department, the Fire Services Department, the Food and Environmental Hygiene Department and the Civil Engineering and Development Department have been working at full strength to clear road surfaces affected by Typhoon Mangkhut so as to resume the public transport services as soon as possible.

Up to now, most of the major roads have been cleared to enable passage of traffic, including public transport. However, more time is needed to clear the fallen trees on some major roads such as San Sham Road, Castle Peak Road – San Tin Section, Sai Sha Road, Sha Tau Kok Road, Hiram's Highway, Clear Water Bay Road, Tai Mong Tsai Road, Tin Ping Road and Route Twisk in the New Territories; and Wong Nai Chung Gap Road, Deep Water Bay Road, Shek O Road, Tai Hang Road, Peak Road, Victoria Road, Nam Fung Road and A Kung Ngam Road on Hong Kong Island.

A spokesman for the TD reminded members of the public that they should pay attention to the traffic situation and the latest public transport service arrangement this morning before starting their journey. Motorists are advised to exercise tolerance and patience and drive carefully.

As at 5am today, the latest public transport situation is as follows:
