## Model teachers motivate students

To keep up with the demands of a rapidly changing society, educators have implemented effective teaching practices to prepare students for life in a modern world.

News.gov.hk spoke to kindergarten and secondary school teachers who have been recognised with the Chief Executive's Award for Teaching Excellence, to find out how they use less conventional sports activities, picture books and STEM education to boost their students' confidence and skills.

The story appears on news.gov.hk today (September 16) in both text and video format.
