

Temporary traffic arrangements at Kai Tak Tunnel and East Kowloon Way this Sunday

The Transport Department (TD) today (June 7) reminded members of the public that to facilitate road repair works, the following temporary traffic arrangements will be implemented at the Kai Tak Tunnel and the East Kowloon Way on Sunday (June 10):

(i) The eastbound tube of the Kai Tak Tunnel will be temporarily closed to all vehicular traffic from 1am to 6am. Traffic along the East Kowloon Way eastbound will be diverted via Kowloon City Road;

(ii) The slow lane of the section of the East Kowloon Way eastbound between Lok Shan Road and Ma Hang Chung Road will be temporarily closed to all vehicular traffic from 6am to 11am; and

(iii) The slow lane of the eastbound tube of the Kai Tak Tunnel (except the slip road leading to Sung Wong Toi Road) will be temporarily closed to all vehicular traffic from 6am to 11am.

Due to the lane closures, the TD anticipates that the traffic along the East Kowloon Way eastbound and the Kai Tak Tunnel eastbound will be relatively busy during the above periods. Motorists passing through the road sections concerned should exercise tolerance and patience and drive with utmost care. Appropriate traffic signs will be erected on-site to guide motorists.

Motorists are advised to consider using alternative routes to Kowloon Central and Kowloon East. They are also advised to plan their journeys in advance and allow more travelling time to avoid unexpected delay.

The TD and the Police will closely monitor the traffic situation and implement appropriate measures whenever necessary. Members of the public are advised to stay alert to the latest traffic news on radio and television.

Details of the temporary traffic arrangements are now available on the TD's website (www.td.gov.hk).
