

Secretary for Home and Youth Affairs to visit Shanghai

The Secretary for Home and Youth Affairs, Miss Alice Mak, will visit Shanghai tomorrow (July 13).

During her visit, Miss Mak will attend the opening ceremony of the first batch of the training programme for the seventh-term District Council members, and meet with officials from the Hong Kong and Macao Affairs Office of the State Council and the Shanghai Municipal People's Government.

Miss Mak will return to Hong Kong on July 14. In her absence, the Under Secretary for Home and Youth Affairs, Mr Clarence Leung, will act as the Secretary for Home and Youth Affairs.

Appeal for information on missing man in Ngau Tau Kok (with photo)

Police today (July 12) appealed to the public for information on a man who went missing in Ngau Tau Kok.

Chan Hoi, aged 35, went missing after he left his residence in Choi Fook Estate on April 8, 2023. His family made a report to Police on June 21 this year.

He is about 1.7 metres tall and of medium build. He has a round face with yellow complexion and short black hair.

Anyone who knows the whereabouts of the missing man or may have seen him is urged to contact the Regional Missing Persons Unit of Kowloon East on 3661 0335 or 9582 4272 or email to rmpu-ke-2@police.gov.hk, or contact any police station.

HAD opens temporary heat shelters

The Home Affairs Department will continue to open 19 community halls/community centres as temporary heat shelters today (July 12).

The temporary heat shelters will remain open for people to take refuge from the heat when the Very Hot Weather Warning is in force. From 10.30pm to 8am the next day, the temporary heat shelters will also provide bedding and a sleeping place for people in need. The shelters are manned by duty attendants.

For further information, please call the department's hotline before midnight on 2572 8427.

The heat shelters are located at:

[Update on dengue fever](#)

The Centre for Health Protection (CHP) of the Department of Health today (July 12) reported the latest number of dengue fever (DF) cases, and urged the public to maintain strict environmental hygiene, mosquito control and personal protective measures both locally and during travel.

From July 5 to yesterday (July 11), the CHP recorded two imported DF cases. One of the patients had been to Thailand while the other had been to Laos and Singapore during the incubation period.

As of yesterday, 36 cases of DF, including 33 imported and three local cases, had been recorded in 2024. In 2023, 62 imported cases of DF were recorded.

According to the World Health Organization, the global incidence of DF has markedly increased over the past two decades, posing a substantial public health challenge. In 2023, ongoing transmission, combined with an unexpected spike in DF cases, had resulted in close to a historic high of over 6.5

million cases and more than 7 300 dengue-related deaths reported in over 80 countries/territories. The latest surveillance data shows that there is an increase in DF cases noted in some places in Asia (such as Indonesia, Malaysia, Singapore and Thailand) compared to the same period last year. Since the beginning of 2024, the Americas, including Brazil, Argentina and Peru, have recorded over 10 million cases, a record number. Detailed information on the latest DF situation in Hong Kong, as well as neighbouring and overseas countries and areas, has been uploaded to the CHP website (www.chp.gov.hk/files/pdf/df_imported_cases_and_overseas_figures_eng.pdf).

"Apart from general measures, travellers returning from areas affected by DF should apply insect repellent for 14 days upon arrival in Hong Kong. If feeling unwell, seek medical advice promptly and provide travel details to a doctor," a spokesman for the CHP said.

The public should take heed of the following advice on mosquito control:

- Thoroughly check all gully traps, roof gutters, surface channels and drains to prevent blockage;
- Scrub and clean drains and surface channels with an alkaline detergent compound at least once a week to remove any deposited mosquito eggs;
- Properly dispose of refuse, such as soft drink cans, empty bottles and boxes, in covered litter containers;
- Completely change the water of flowers and plants at least once a week. The use of saucers should be avoided if possible;
- Level irregular ground surfaces before the rainy season;
- Avoid staying in shrubby areas; and
- Take personal protective measures such as wearing light-coloured long-sleeved clothes and trousers, and apply insect repellent containing DEET to clothing or uncovered areas of the body when doing outdoor activities.

â€‹DEET-containing insect repellents are effective and the public should take heed of the tips below:

- Read the label instructions carefully first;
- Apply right before entering an area with risk of mosquito bites;
- Apply on exposed skin and clothing;
- Use DEET of up to 30 per cent for pregnant women and up to 10 per cent for children*;
- Apply sunscreen first, then insect repellent; and
- Reapply only when needed and follow the instructions.

* For children who travel to countries or areas where mosquito-borne diseases are endemic or epidemic and where exposure is likely, those aged 2 months or above can use DEET-containing insect repellents with a DEET concentration of up to 30 per cent.

â€‹The public should call 1823 in case of mosquito problems and may

[Analytical Accounts of the Exchange Fund](#)

The following is issued on behalf of the Hong Kong Monetary Authority:

The Hong Kong Monetary Authority (HKMA) released today (July 12) the key analytical accounts of the Exchange Fund at the end of June 2024.

Foreign assets, representing the external assets of the Exchange Fund, decreased during the month by HK\$13.3 billion to HK\$3,454.7 billion.

The Monetary Base, comprising Certificates of Indebtedness, Government-issued currency notes and coins in circulation, the balance of the banking system and Exchange Fund Bills and Notes issued, amounted to HK\$1,927.4 billion.

Claims on the private sector in Hong Kong amounted to HK\$296.3 billion.

Foreign liabilities amounted to HK\$22.2 billion.

The analytical accounts of the Exchange Fund are released in accordance with the International Monetary Fund's Special Data Dissemination Standard (SDDS) and are referred to as the Analytical Accounts of the Central Bank under SDDS (Annex).

At present, four press releases relating to the Exchange Fund's data are issued by the HKMA each month. Three of these releases are issued to disseminate monetary data in accordance with the International Monetary Fund's SDDS. The fourth press release, on the Exchange Fund's Abridged Balance Sheet and Currency Board Account, is made in accordance with the HKMA's policy of maintaining a high level of transparency. For the month of July 2024, the scheduled dates for issuing the press releases are as follows:

July 5 (Issued)	SDDS International Reserves (Hong Kong's Latest Foreign Currency Reserve Assets Figures)
July 12	SDDS Analytical Accounts of the Central Bank (Analytical Accounts of the Exchange Fund)

July 31	SDDS Template on International Reserves and Foreign Currency Liquidity
July 31	Exchange Fund Abridged Balance Sheet and Currency Board Account
