

Cluster of Human Metapneumovirus in North District Hospital

The following is issued on behalf of the Hospital Authority.

The spokesperson for North District Hospital made the following announcement today (July 2):

Four patients (aged 62 to 75) in a male medical ward have presented with respiratory symptoms since June 20. Appropriate viral tests had been arranged for the patients, and their test results were positive for Human Metapneumovirus. One of the patients had passed away due to his underlying medical conditions. The remaining three patients are being treated in isolation and are in stable condition.

Infection control measures have already been stepped up according to established guidelines. Droplet and contact precautions, hand hygiene, cleaning and disinfection of the environment and equipment have also been strengthened.

The hospital will continue to closely monitor the conditions of the patients in the ward. The cases have been reported to the Hospital Authority Head Office and the Centre for Health Protection for necessary follow up.

[Import of poultry meat and products from areas in Australia and US suspended](#)

â€‹The Centre for Food Safety (CFS) of the Food and Environmental Hygiene Department announced today (July 2) that in view of notifications from the World Organisation for Animal Health (WOAH) about an outbreak of highly pathogenic H7N8 avian influenza in Canberra of the Australian Capital Territory in Australia, and outbreaks of highly pathogenic H5N1 avian influenza in Sac County of the State of Iowa and Pipestone County of the State of Minnesota in the United States (US), the CFS has instructed the trade to suspend the import of poultry meat and products (including poultry eggs) from the above-mentioned areas with immediate effect to protect public health in Hong Kong.

A CFS spokesman said that according to the Census and Statistics Department, Hong Kong imported about 130 tonnes of chilled and frozen poultry meat and about 4.06 million poultry eggs from Australia, and about 16 480 tonnes of chilled and frozen poultry meat and about 7.73 million poultry eggs from the US in the first three months of this year.

"The CFS has contacted the Australian and American authorities over the issues and will closely monitor information issued by the WOAH and the relevant authorities on the avian influenza outbreaks. Appropriate action

will be taken in response to the development of the situation," the spokesman said.

Fraudulent social media account and phishing instant messages related to Royal Bank of Canada

The following is issued on behalf of the Hong Kong Monetary Authority:

The Hong Kong Monetary Authority (HKMA) wishes to alert members of the public to a press release issued by Royal Bank of Canada relating to a fraudulent social media account and phishing instant messages, which have been reported to the HKMA. A hyperlink to the press release is available on the [HKMA website](#).

The HKMA wishes to remind the public that banks will not send SMS or emails with embedded hyperlinks which direct them to the banks' websites to carry out transactions. They will not ask customers for sensitive personal information, such as login passwords or one-time password, by phone, email or SMS (including via embedded hyperlinks).

Anyone who has provided his or her personal information, or who has conducted any financial transactions, through or in response to the social media account or instant messages concerned, should contact the bank using the contact information provided in the press release, and report the matter to the Police by contacting the Crime Wing Information Centre of the Hong Kong Police Force at 2860 5012.
