

Guidance: Electric Vehicle Homecharge Scheme eligible vehicles

Updated: List of vehicles eligible for the Electric Vehicle Homecharge Scheme.

All vehicles that have been approved as ultra-low emission vehicles by the Office for Low Emission Vehicles are eligible for the Electric Vehicle Homecharge Scheme.

This includes vehicles which may no longer be eligible for the plug-in car grant, either because they exceed the category 2 or 3 price cap or they are no longer on sale in the UK.

[Intellectual property clinics](#)

The intellectual property clinics which we hold in Newport are currently postponed. Please see [Other IP clinics](#) below for more information about other clinics which run.

The Intellectual Property Office (IPO) is holding free regular IP legal clinics in Newport. The IP clinics are hosted by an IP Attorney who is a member of the Chartered Institute of Patent Attorneys (CIPA) and the Chartered Institute of Trade Mark Attorneys (CITMA).

The IP clinics are for individuals and businesses seeking legal advice on patents, trade marks and designs. If you require more general help and support with intellectual property please visit our [IP for Business tools](#).

What will you get?

You can discuss your ideas or problems in confidence with an IP Attorney for 30 minutes at no cost. An Examiner from the IPO will also take part in the clinic to help give an understanding of the IPO's requirements.

How to register

For help and information on IP matters or to make an appointment, please call our Information Centre on 0300 300 2000 or [email us](#) to discuss your requirements.
