

Guidance: ETL product types: heating, ventilation and air conditioning equipment

Updated: Updated in line with changes to the ETL criteria for this technology.

The leaflet explains the product types and the benefits of installing ETL-listed HVAC equipment.

See the [Energy Technology Product List](#) for the eligible products in this category, listed by brand name.

See the [Energy Technology Criteria List](#).

Guidance: ETL product types: uninterruptible power supply (UPS)

Updated: Updated in line with changes to the ETL criteria for this technology.

See the [Energy Technology Product List](#) for the eligible products in this category, listed by brand name.

See the [Energy Technology Criteria List](#).

Guidance: ETL product types: compressed air equipment

Updated: Updated to reflect changes to the product categories on the Energy Technology List

This leaflet sets out the requirements for inclusion in the list, and the benefits of purchase, for:

- master controllers
- refrigerated air dryers
- desiccant air dryers
- flow controllers

See the [Energy Technology Product List](#) for the eligible products in this category, listed by brand name.

See the [Energy Technology Criteria List](#).

Guidance: ETL product types: motors and drives

Updated: Updated to reflect changes to the product categories on the Energy Technology List

The leaflet explains the types of motors and drives equipment included in the Energy Technology List and Enhanced Capital Allowance (ECA) scheme

- line operated motors
- variable speed drives
- converter-fed motors

See the [Energy Technology Product List](#) for the eligible products in this category, listed by brand name.

See the [Energy Technology Criteria List](#).

Guidance: ETL product types: solar thermal systems and collectors

Updated: Updated to reflect changes to the product categories on the Energy Technology List.

The ETL covers the following solar thermal systems and collectors:

- glazed flat plate solar collectors.
- evacuated tube solar collectors

See the [Energy Technology Product List](#) for the eligible products in this category, listed by brand name.

See the [Energy Technology Criteria List](#).
